Disposable hearing protection plugs

uvex x-fit Dispenser "one 2 click"

Easy-to-use, robust wall-mounted dispenser. Easy installation and a controlled release mechanism which ensures the correct number of plugs are dispensed. The audible "one-2-click" system prevents over supply thus reducing wastage costs. The transparent design makes it easy to monitor the number of earplugs remaining. A collecting tray catches the earplugs.

Installed at a convenient location, the dispenser has sufficient capacity to supply large production areas with hearing protection at a favourable price.
